Dated: May 24, 2018

PRESS RELEASE**24 May 2018****PSALM issues Certificate of Effectivity on AboitizPower subsidiary's purchase of Naga power plant complex**

AboitizPower subsidiary Therma Power Visayas, Inc. (TPVI) has received the Certificate of Effectivity (COE) from the Power Sector Assets and Liabilities Management Corp. (PSALM) to initiate the former's purchase of the Naga Power Plant Complex located in Naga City, Cebu.

The COE implements the Sept. 28, 2015 decision of the Supreme Court, which upheld the April 30, 2014 award of the facility to TPVI.

"We appreciate the decision of PSALM and we look forward to operating the facility and contribute to securing the energy needs of the Visayas," AboitizPower President and COO Antonio R. Moraza said. PSALM issued a notice of award to TPVI in 2014 after TPVI posted the highest bid of P1.088 billion for the asset after two failed bidding.

The Supreme Court in a Sept. 28, 2015 decision upheld the validity of PSALM's public bidding. The High Court reiterated its decision in an Oct. 5, 2016 resolution.

The Naga Power Plant Complex is composed of diesel and coal power plants with a combined capacity of 153.1 MW.

About AboitizPower

AboitizPower is the holding company for the Aboitiz Group's investments in power generation, distribution, and retail electricity services. It advances business and communities by providing reliable and ample power supply at a reasonable and competitive price, and with the least adverse effects on the environment and host communities.

The company is one of the largest power producers in the Philippines with a balanced portfolio of assets located across the country. It is a major producer of Cleanergy, its brand for clean and renewable energy with several hydroelectric and geothermal power generation facilities. It also has various fossil-fired power plants in its generation portfolio to support the baseload and peak energy demands of the country.

The company also owns distribution utilities that operate in high-growth areas in Luzon, Visayas, and Mindanao, including the second and third largest private utilities in the country.
